On the behalf of Lotus Business School I Srushti Patil 1st year ABM student considering my responsibility towards a farmer's community contributed my little efforts on April 2022 at Z.P school of Kanhere Tal., Amalner Dist.Jalgaon through Farmers Education Programme. In this programme I shared a knowledge about financial management for farming that would definitely help farmers to maintain their expenditure & profit analysis. Along with that a format for record of their expenses & income is also shared to them so that all farmers will adopt this method. at the end of programme I asked to farmers to share this concept within a village & all the farmers responded positively. It is such a great honour for me to have a conversation with all this farmers .
