FROM EDITOR'S DESK

I wish you all a very Happy New year. For the last one and half years, everyone is trying to cope up with the situation and has finally started settling and accepting the new normal scenarios. This pandemic situation has given us many lessons. Each sector of the industry has changed a lot during this period. The education sector is also one of them. Now from school to college, everyone has matched with the blended mode of learning. From March 2020, we also started online classrooms using various online platforms. In the initial stage, it was a little bit challenging but now everyone is familiar with all platforms. We saw that our students are enjoying online sessions but at the same moment missing college days. But, the moment has come to start with "New Normal" because most of the Faculties and students are vaccinated and waiting for regular offline sessions. For this, we thank all scientists, manufacturers, and the whole distribution channels whose hard work and efforts made the COVID vaccine available for all.

We are very excited to present our combined 3rd and 4th Volume of our biannual Newsletter "Ideation"- Expression of Prolific Ideas and Innovation in 2021. The present newsletter will give you an insight into guest sessions, events, activities, and placements held from August 2020 to July 2021. In the 3rd volume of ideation, we have not taken many events and activities because of Government restrictions. We worked on the MBA IInd-year student development through online sessions and certification programs. In January 2021, the process of new batch admission was started and we also started with some online events and activities. On 17th and 18th February 2021, we organized Ankuran 2020 - an Induction program for the new MBA batch. That was the beginning of the new batch journey. As Lotus Business School is working majorly in Agri-Business Management and Pharma & Healthcare Management, we received a very good response for the student's internships and final placements. In the Present newsletter, we have mentioned all the activities, guest sessions, certification programs, various events, and placements details that were arranged by LBS during last year. I thank team LBS for their contribution to developing this volume of Ideation. We dedicate this volume to all research scientists who developed this COVID vaccine as well as the manufacturer and Distribution channel that made this vaccine available to all.

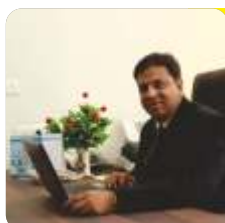

Regards,
Dr. Ganesh Pathak

ABOUT US

Lotus Business School, a part of Bhaishree Group has been created with a vision to impart quality management education and create world-class leaders. Lotus encourages the students to challenge the very basic concepts of management and leadership. The core team of Lotus comprises alumni of IIMs, JBIMS, Symbiosis and ex-corporate employees of renowned organizations. In today's world where the industry and corporate life have become highly demanding and dynamic, it is imperative that future leaders are innovative and do not take things for granted. The encouragement to be innovative and be a maverick is the essence of the Lotus Pedagogy. Formed by a group of renowned Industrialists and Academicians, Lotus is an attempt to not only bridge the gap between the theory and the practical but also the effort at ensuring that the relevance of academics with the practicality of the subject.

UNVEILED VOLUME II OF IDEATION

Every year each lotusites are waiting for this day which is the Birthday of our Bhaishree. On 12th October 2020 on the Occasion of Chairman Shri. Rameshbhai Patel's Birthday, Lotus Business School arranged the unveiled ceremony of Volume II. Because of the Pandemic Situation, we made this function on an online platform. Chairman Shri. Rameshbhai Patel appreciated all the efforts taken by the LBS team to publish this second volume of Ideation during the pandemic condition.

From Executive Director's Desk
Dr. Charudatta Bodhankar

Innovation of our young budding minds. Many Indians abroad have excelled and reached the highest levels of achievements in the field of technology, business, academia, and even government or policymaking. They are working as leading innovators in some of the largest and most innovative companies across the globe including Google, Microsoft, IBM, Adobe, etc. Access to an innovative ecosystem allowed them to realize their aspirations, convert their dreams into realities, and help them blossom to their full potential. Entrepreneurship plays an influential role in the economic growth

and standard of living of the people of the country. Entrepreneurs are thought of as national assets to be cultivated, motivated, and remunerated to the greatest possible extent. Entrepreneurial ventures help generate new wealth. Innovation is the heart of entrepreneurship and all aspiring business owners should understand what innovation is, why it's important, and how they can take advantage of innovation. We at Lotus Business School aim to equip students with leadership skills and an innovative mindset to redefine the Agriculture and Pharma industry. Agriculture in India is the livelihood of a majority of the population, although its contribution to GDP has reduced to less than 20% and the contribution of other sectors increased at a faster rate. However, the growth in agricultural production after the Green Revolution has made us self-sufficient and shifted us in a commanding role from being a begging bowl. There is a high untapped potential in India's agriculture sector. Advantageous weather, various financial incentives provided by the government, availability of cheap credit facilities for marketing and export promotion are attracting many individuals, big companies, startups, and entrepreneurial ventures to make investments in innovations, inventions, research and development, and on other aspects of the agriculture industry. The same applies to the Pharma Industry. Indian firms have established themselves as leaders of the global pharmaceutical landscape during the Covid 19 scenarios. However, the shortage of delivery points and the lack of accessibility to drugs continue to be bottlenecks even for the pharma companies to fully utilize the domestic market. Lotus aims to fill these gaps in the Pharma and Agriculture industry and develop a workforce competent to face these foreseen challenges and grab the growth opportunities. Lotus Business School, inculcating the values of Bhaishree Foundation strives towards providing exceptional education to the students and providing them a platform to gain global exposure and opportunities for growth.

From Director's Desk
Dr. Satish Warpade

Welcome you all for the second volume of the newsletter from Lotus Business School, during this COVID -19 pandemic situation we tried our best to stay connected with all our stakeholders in different ways using online platforms and provided uninterrupted quality education to students. The governance of the institution is reflective of effective leadership in tune with the vision and the mission of the institute and executing the same. The institute transforms the curriculum designed by the university through qualified faculties to build strong leadership among students with all skill enhancement programmes with national commitment and institutional social responsibility. This newsletter is published to showcase the various activities carried out in the institute during the last six months, Institute strongly focuses on institute-industry connects which involves field visit and field exposure of students, Industrial visits, MoU with industries, Guest lecturers from industry experts, involvement of industry experts for counseling and mentorship programme. The institute had organized annual mega event "Cognition" which included Synnovation, HR Meet, Alumni Meet and Junoon. The main purpose of the event was to give exposure to all staff members and students to show their hidden talents and participation through different work during the event. The event helped to improve various skill among staff and students like leadership, planning, organizing and controlling, decision making skills. I invite you all to read this second volume of the newsletter and wish all the best for prospective students. Stay Safe stay healthy.

Events @ LBS

Independence Day & CPP certificate Award Ceremony - 15th August 2020

Independence Day at Lotus Business School is celebrated every year with an equal amount of zeal and passion by our students, teaching & non teaching staff members on 15th August 2020. Due to pandemic this year it is celebrated through online platform. The great fighters who sacrificed their lives in the independence struggle are remembered with a lot of reverence and jawans who lost their lives on the battle field are paid homage. The event started with Flag hoisting, followed by speech given by our Executive Director – Mr. Charudatta Bodhankar and Director- Dr. Satish Warpade.

On this day, we had also organized CPP Certificate Award Ceremony and top 3 students from the MBA batch 2018-20 were awarded by the certificates. From students Ms. Shraddha Nalawade shared her experience and importance of CPP to next batch.

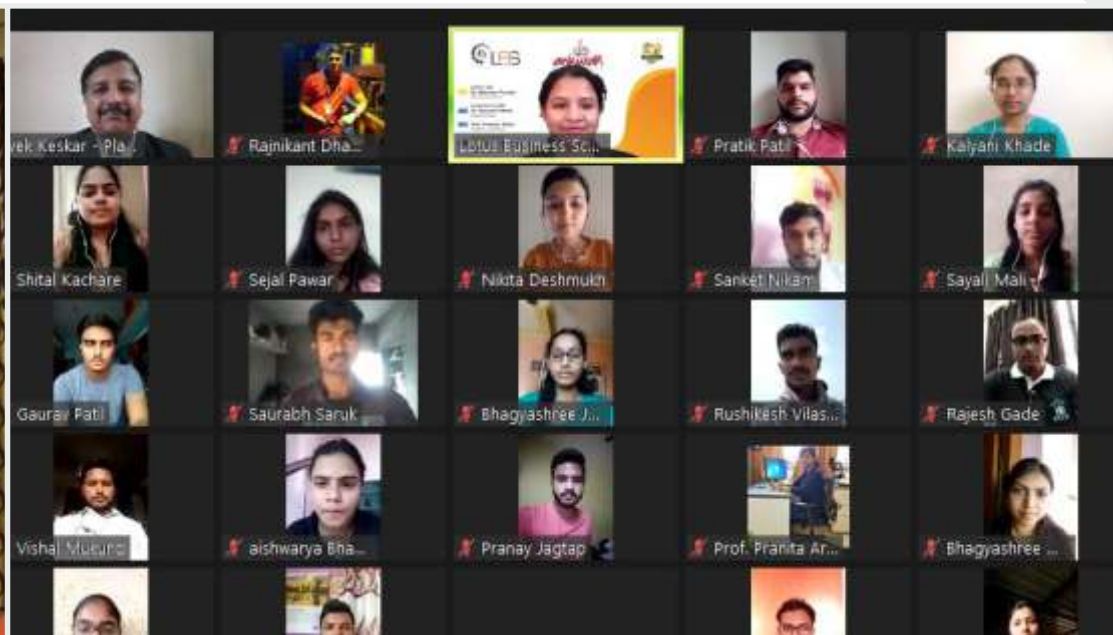

Events @ LBS

Ankuran – 4th September 2020.

Lotus Business School organized the online Ankuran program from 2nd September to 4th September 2020 to welcome MBA batch 2020-22. Industry guests were invited from Agriculture and Pharma background to guide the students related to respective fields and to make students understand the scenario. How student should work on their skill sets and shared technical concepts overview by the industry guests.

From Agriculture background Mr. Shitij Agrawal, Chief Executive Officer, Sahyadri Agro Retails Ltd. and from pharma background Mr. Atul Suri, Vice President & Strategic Business Unit Head, Alembic Pharmaceuticals Limited were invited for Ankuran program.

Mr. Charudatta Bodhankar, Executive Director, Lotus Business School, and Dr. Satish Warpade, Director, Lotus Business School have also given inputs to students for future planning and positive approach towards the things. Dr. Ganesh Pathak and Prof. Pranita Arbat have given the orientation of academics and CPP. Prof. Vivek Keskar has explained about the placement activities. Dr. Manisha Purohit has introduced the Lotus family (staff) members to the students. Events at Lotus presented by Ms. Trupti Rai and administrative process explained by Mr. Sunil Prajapati.

Management Games

Lotus Business School had organized online management games for students to motivate them and make them engage in this pandemic. Prof. Pushkarni Khade conducted this activity and executed different round of games. Students' participation was really good in this event and students got to know about different brands details and different industry players and their strategies in these activities.

Teacher's Day Celebration - 5th September 2020

The birth date of the second president of India, Dr. Sarvapalli Radhakrishnan, 5th September 1888, has been celebrated as Teacher's Day since 1962. This time management felicitates all the staff members on the occasion of Teacher's Day. All felt overwhelmed by the gesture.

Events @ LBS

Republic Day - 26th January 2021

Lotus Business School celebrated The 72nd Republic Day through online platform. All students, teaching & non teaching staff members participated on 26th January 2021. Due to pandemic this year it is celebrated on online platform. The event started with Flag hoisting, followed by speech given by our Executive Director – Mr. Charudatta Bodhankar and Director- Dr. Satish Warpade.

Shiv Jayanti - 19th February 2021

Every year on Shivaji Jayanti, Lotus Family celebrate his birth anniversary by different ways of activities. This year also on 19th February 2021, we have celebrated this day and organized the speech competition of students. Students participated in the competition and performed extraordinary by showing their knowledge and aggression towards shri. Chhatrapati Shivaji Maharaj. Our Director, Dr. Satish Warpade also guided students that how Shivaji Maharaj called as management guru and how one should apply it in today's era with upgradation.

Women's Day Celebration - 8th March 2021

International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women. The day is also marks a call to action for accelerating gender parity. Women's Day is celebrated globally on 8th March every year in honour of their remarkable contribution to the society. At LBS men staff members kept a special note for all the women staff members on their respective desk along with a flower and chocolate for appreciating them and their efforts. In a special gathering, a surprise video was presented to all women, in which the appreciation from their respective husband was recorder. All women really overwhelmed by hearing the words from their life partners and they offered special thanks to all men of LBS.

Yoga Day Celebration - 21st June 2021

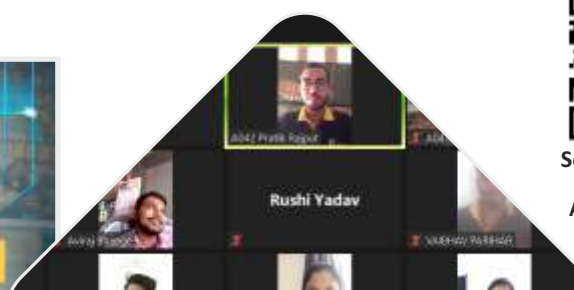

This year, the theme for International Yoga day is "Yoga for Wellness". Due to Pandemic condition for this year Lotus Business School, Pune has celebrated International Yoga Day on 21st June 2021 with all students through online platform. All students actively participated during celebration of yoga day with some Asana's, Pranayama and Meditation. During the program Dr. Ganesh Pathak has given brief about International Yoga Day, Importance of Yoga & Meditation in everyone's life and specifically for budding managers and entrepreneurs.

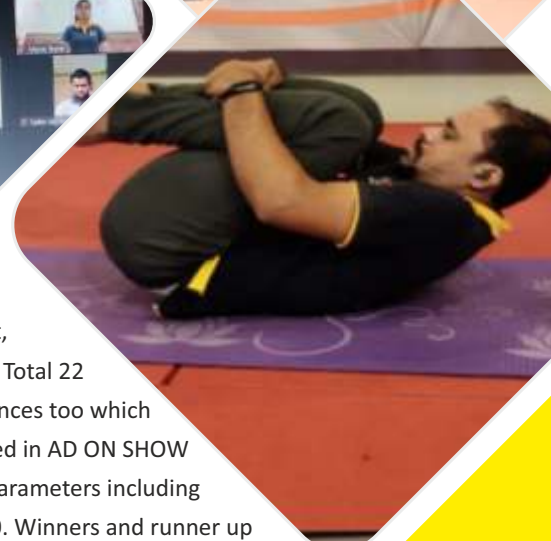

AD ON SHOW EVENT - 2nd August 2021

Lotus Business School had organized an event named "AD ON SHOW" – An online advertisement show. In the event, students got freedom to prepare Television advertisement or Radio advertisement with some rules and limitations. Total 22 students were participated. In program, after playing respective student's advertisement, they shared their experiences too which they got while making advertisement and discussed about the challenges and motivations. 14 entries were Received in AD ON SHOW (8 entries for TV advertisement and 6 entries for Radio advertisement). Evaluation criteria was based on different parameters including likes to uploaded advertisements on Lotus YOUTUBE channel. Overall viewers to all the advertisements were 15000. Winners and runner up got exciting prizes for both the segments.

•Received 8 entries for TV advertisement and 6 entries for Radio advertisement Kitkat, Amaza Cough Drop, Dent + toothpaste, K K's Delicious Cakes, Nandanvan Properties, RK Milk

Shree Ram Dairy Farm: Mr. Rushikesh Dhokale – MBA (2nd Year Student)

Rushikesh Dhokale is an MBA 2nd Year student of Agri-Business Management from Lotus Business School. He is Basically from Shirur, Pune. He completed BSc Agriculture from the Dr. D Y Patil, ABM college, Akurdi in 2019 and joined Lotus Business School, Pune for MBA in Agri-Business Management Course.

Shree Ram Dairy is a startup by Rushikesh and his friend Satyasheel Dhamal. Being the students from Agriculture Background they have been very fond of Agriculture and its Enterprises. After thinking a lot, they finalized having a business in Dairy Sector. With the help of friends, they designed the whole plan for our outlet, and on the other hand, also designed a Business Proposal. After finalizing the vendors for certain products they decided to open the outlet on 14 February 2021. As for milk, they have their own dairy farm hence had a continuous supply of milk. After starting with the outlet in two months they gained a certain profit and now they have crossed 100+ home deliveries on regular Basis. Lassi, Curd and Buttermilk are prepared by them ensuring the best quality.

The best achievement till now is their Lassi has become very famous and is liked by the locals a lot.

Lotus Business School & The Agricultural Graduates Association (Career Bharati) has entered into a Memorandum of Understanding (MoU) on 18th June 2021 for the courses of the Educational Institution for Agriculture and Allied Graduates, its Benefits and Post-Graduation Career Guidance.

Lotus Business School & Sarhad College of Art's, Commerce and Science, Katraj, Pune-46, signed Memorandum of Understanding (MoU) on dated 12/05/2021 for

1. Two Certification program for students (Offline/Online)
2. One Faculty Development Program/ Workshop for Faculty
3. Placement Assistance
4. Collaborative Research activity
