Subject: Thanks giving for conducting "Opportunities After Graduation in Business Administration

Respected Sir,

With reference to above mentioned subject hereby we appreciate you for providing the informative session on "Opportunities after Graduation in Business Administration". The concerned session is supposed to organize at Final year class room of SPCOP, Otur to our B. Pharmacy Final Year Students of academic year 2021-2022. Major focus of this session is to give ideas, opportunities the students regarding the business administration process, branches and scope of the field.

Very well you have explained about the preparation protocol and give them the proper guidance for the admission and opportunities in business administration. Definitely this session will assist during their future goal.

Thanking You.

About the Department

Department of Bachelor of Business Administration was started in the year 2002 with the intake of 80 students. The department offers BBA program under management studies stream, Choice Based Credit System (CBCS) curriculum is offered to students as per Shivaji University Norms. Along with curriculum, different training programs are offered in order to develop the latest management skills and confidence to apply in real world situations. Department has bright students not only from India but also from foreign countries like Afghanistan, Burundi, Ivory Coast, Nepal and South-Sudan. Department focus on activity based teaching and use of pedagogies and experts from different fields are invited to share their experiences with the students.

About Program

This workshop is intended to offer a first hand and hands-on exposure to beginners in Research. The main focus of the training will be on learning basic statistical tools and techniques for different research objectives and carrying out data analysis using MS Excel and SPSS through case examples and skill building exercises. The participants will learn how to prepare research design, How to prepare questionnaire and make the data ready for analysis, data entry, analysis of data through MS Excel and SPSS, Hypotheses Testing.

Also the workshop will enable learning how to interpret and report findings/results. Complete hands-on training methodology will be used targeting on 'do how' rather than only 'know how'.

So, the primary goal of this Workshop is to bring together students, research scholars, academicians for understanding these statistical paradigms into research.

Objectives of Workshop

To provide insights into methodological applications through interactive and hands-on training sessions.

1. To expose participants to elaborate ways of data analysis.
2. To equip the participants with knowledge of Excel and SPSS to perform analysis and check for statistical significance and interpret data in a presentable way.
3. To develop research interest towards using statistical tools like SPSS.

On 11th & 12th March 2022

(Friday and Saturday)

RIT

Organized

by

Department of Management Studies BBA

In association with

Indian Society for Training & Development

(ISTD), New Delhi (Islamipur Chapter)

About Institute

Kasegaon Education Society is one of the leading educational organization in the Western Maharashtra. It was established in 1945 by Late Shri. RajarambapuPatil. RIT has emerged as a leading technological Institute in Western Maharashtra through its dedicated and disciplined approach to provide quality technical education over a period of more than thirty eight years.

About Department

Department of Management studies –BBA is committed to excellence in teaching and inculcating a sense of pride and confidence in our students. The purpose of department is to get the entire gamut of management studies into perspective and to make students capable of addressing the issues, not just in the corporate sector but in the larger framework of the global economy.

VISION

“Achieving excellence in academics and research to develop globally competent and socially responsible managers”

MISSION

To leverage innovation and excellence in academic design, delivery and assessment to ensure holistic development of students for employability, entrepreneurship and higher education.

About FDP :

Research is field applicable in all areas of Research and its developing changes in tools and techniques are vital and need is to be updated for specially in the field of education. FDP is designed to provide hands-on sessions learning basic statistical tools and techniques for different research objectives and carrying out data analysis using MS Excel and SPSS (statistical package for social science). The participants will learn how to prepare research design, How to prepare questionnaire and make the data ready for analysis, data entry, and analysis of data through MS Excel and SPSS. Also enlightens the knowledge of types of hypothesis formulation, and testing of hypothesis.

Objectives of FDP:

1. To impart knowledge for implementation of research methodology
2. To give hand-on-practice on MS Excel and SPSS
3. To learn how to prepare Questionnaire and Hypothesis formulation and Testing.
4. To study statistical analysis using SPSS
5. To learn different types of testing through SPSS

Subject: Invitation to conduct Expert Lecture on "Guidance on carrier opportunities for pharma graduates"

Respected Sir/Madam,

On behalf of Sant Gajanan Maharaj college of Pharmacy, Mahagaon, we are very pleased to have the honor of inviting you to deliver lecture for final year B pharma students as a part of extracurricular activity. We would like you have session of guest lecture on "Guidance on carrier opportunities for pharma graduates" on Saturday i.e. 15th Feb 2020.

We hope you can make time in your busy schedule. Your thoughts would enable our students to gain knowledge from your expertise and experience.

Kindly communicate your acceptance as earliest. This will enable you to prepare for successful session.

Thanking You

LETTER OF APPRECIATION

This is to certify that Dr. Dhananjay Deshpande (Lotus Business School, Pune) has conducted a Guest Lecture on the topic "Business Analytics and Big Data" for the Third year and Final year Computer Science and Engineering students

The Sessions were inspiring. The main purpose to arrange this lecture was to provide knowledge and to make students aware about scope of Business Analytics in IT industry and its applications.

We thank you for giving valuable time & sharing an important subject with our students. Your presentation seemed to be excellent as far as knowledge & its contents is concerned.

Letter of Appreciation

Dear Sir,

Thank for sharing your expertise knowledge on Research Methodology at Progressive Education Society's Modern College of Commerce and Computer Studies on Faculty Development Program (FDP) for our Staff members. Your Presentation about Research Methodology will be exceedingly helpful to new beginners as well as present participants in the area of research. We appreciated your efforts in crafting research ideas and clarifying critical aspects of research Methodology. We have heard satisfactory feedback from faculty who wants to embark on research projects.

Thank you again for helping to create new insight on research in conscious generation. We hope to work with you in future.
